# MISSION AND PURPOSE

## Mission Statement

The mission of Southern Evangelical Seminary is to train men and women, based on the inerrant and infallible written Word of God, for the evangelization of the world and defense of the historic Christian Faith.

## Purpose Statement

It is the purpose of Southern Evangelical Seminary to develop competent Christian leadership and service through quality graduate programs. Central to this purpose is the provision of a biblical basis and an academic understanding of our commitment to Christ. This education will enable the learner to fulfill his or her personal and professional goals as a Christian leader and as an active citizen in the society in which we live. The infallibility and inerrancy of the Scriptures, the importance of the Church, and the ability to communicate and defend the Christian Faith are fundamental elements to this purpose.

The purpose of Southern Evangelical Seminary will be carried out in keeping with the following precepts:

1. *Education Based on the Inerrant and Infallible Word of God:* Although many other texts and reference materials will be used in classes, the final authority will be the Bible which we hold to be God's written revelation of His will and direction for life and service.
2. *Graduate-Level Education:* Courses at Southern Evangelical Seminary lead to various graduate degrees with majors in Church Ministry, Apologetics and Counter-cult Ministry, and related subjects. Southern Evangelical Seminary also provides for persons desiring this type of training but not qualifying for the graduate degrees through certificates in the appropriate fields which may be granted upon the completion of the prescribed study programs.
3. *For Both Men and Women:* Since various ministries of the Church include both men and women, Southern Evangelical Seminary encourages both to prepare for Christian service.
4. *Church-Relatedness:* One of the unique aspects of Southern Evangelical Seminary is that its program is implemented in relationship to the local church. Students are encouraged to work with local churches. A field experience program is provided for those preparing for church-related ministries.
5. *Relevance to the Contemporary World:* Since students will minister in a complex and changing world, Southern Evangelical Seminary endeavors to relate instruction to contemporary society.

## Objectives

1. To increase the student's understanding of the Bible and of the doctrines of the historic Christian faith
2. To help the student develop an ability to defend the Bible and the doctrines of the historic Christian faith
3. To help the student develop a Christian worldview that recognizes all truth as God's truth
4. To increase the student's ability to understand and evaluate contemporary theological and moral issues from a biblical perspective
5. To help the student mature in relationship with God by Bible study, prayer, and worship
6. To increase the student's awareness of and involvement in evangelism and world missions
7. To help train students for church-related, counter-cult, and apologetic ministry

## Philosophy of Education

Southern Evangelical Seminary believes that the one, infinitely wise, personal, triune God is the source of all truth. This truth is manifest in both general revelation (Ps. 19:1–6; Rom. 1:19–20) and special revelation of Scripture (John 10:35; 2 Tim. 3:16–17).

As persons created in God's image (Gen. 1:27; Jas. 3:9), redeemed from sin by His Son's death and bodily resurrection (Luke 24:38–39; 1 Cor. 15:1–6), renewed in His image (Col. 3:10), and taught by His Holy Spirit (1 Cor. 2:13–14), we are capable of understanding God's truth and sharing His love (2 Cor. 5:14–15) with a world that is otherwise in darkness (2 Cor. 4:34), error (John 8:32), and evil (Rom. 5:12; 1 John 2:16–17).

As a Christian educational institution, we endeavor to discover, disseminate, and defend the truth and love God has revealed (1 Pet. 3:15; John 13:34–35). We believe this is best accomplished in an atmosphere where students are offered a Bible-based, Christ-centered (2 Cor. 10:5), and God-honoring education (1 Cor. 10:31); where teacher and learner endeavor to know both the truth and the times (1 Chr. 12:32; Phil. 2:14–15), both the message and the milieu in which it is proclaimed.

In order to achieve our goal, we provide an educational opportunity where the Christian worldview is both a framework for thinking and a dynamic for living. To accomplish this, students should be taught not only to think correctly but also to pray fervently and to live uprightly (Jas. 5:16; Deut. 6:4–9; Mark 12:29–31). This occurs most effectively when both instructor and student relate properly to God and to one another through Christ, in view of His imminent return (Acts 1:7–8; 1 Thess. 4:13–18).

## DOCTRINAL STATEMENT

1. We believe the sixty-six books of the Old and New Testament Scripture alone to be verbally inspired by God and inerrant in the original text, and that they alone are of supreme and final authority in faith and life.
2. We believe in one God who is Creator of heaven and earth, who is infinite Spirit, light, love, and truth; eternal, almighty, infallible in all things, including His foreknowledge of all future events as well as all free choices; that He is unchangeable, all wise, just, and holy; and that the triune God eternally exists in one essence and three Persons: Father, Son, and Holy Spirit.
3. We believe in the special creation of the entire space-time universe and of every basic form of life in the six historic days of the Genesis creation record. We also believe in the historicity of the biblical record, including the special creation of Adam and Eve as the literal progenitors of all people, the literal fall and resultant divine curse on the creation, the worldwide flood, and the origin of nations and diverse languages at the tower of Babel.
4. We believe in Jesus Christ, the Second Person of the Trinity, the Eternal Word manifested in the flesh. We believe that He was conceived by the Holy Spirit, born of the virgin Mary, and that He is true God and true man, having two distinct natures co-joined in one Person.
5. We believe that the Lord Jesus Christ died as a representative and substitutionary sacrifice for the sins of every human being and thus offers salvation as a free gift based on grace alone.
6. We believe that the Lord Jesus Christ arose from the dead in the same physical body, though glorified, in which He had lived and died, and that His resurrection body is the pattern of that body which will be given to all believers at the return of Christ.
7. We believe that the Lord Jesus Christ ascended into heaven in the same glorified physical body in which He arose, was seated at His Father's right hand, assuring us of the perfection of His work of redemption, and that He now, as Head over all things to the Church, is engaged on behalf of the saved as their only Advocate.
8. We believe in the personal, imminent, and premillennial return of the Lord Jesus Christ for His redeemed ones followed by His millennial reign on earth.
9. We believe that man was originally created in the image and likeness of God, and that he fell through sin; and that as a consequence of his sin, he became dead in trespasses and sins, and that he became subject to the power of the devil. We also believe that this spiritual death, or total depravity of human nature, has been transmitted to the entire human race, the Man Christ Jesus alone being excepted; and hence that every child of Adam is born into the world with a nature which is totally corrupt.
10. We believe that only those who receive the Lord Jesus Christ as Savior on the condition of faith alone, apart from all good works, are thereby born again of the Holy Spirit, are justified once and for all, and have become children of God.
11. We believe that the Holy Spirit, being the Third Person of the Godhead, convicts men of sin, regenerates, indwells, baptizes, seals, and sets believers apart to a holy life; that He keeps and empowers believers day by day. We believe that He is the Teacher of the Word of God through which He guides us in our daily lives.

12. We believe in the eternal security and everlasting blessedness of the saved, and the eternal conscious punishment of the lost.
13. We believe that the Lord Jesus Christ instituted only two ordinances: water baptism and the Lord's Supper, to be observed until He comes. We believe that water baptism is not necessary for salvation but that it is an outward symbol of salvation and a sign of our obedience to Him.
14. We believe that the universal Church of Jesus Christ is composed of those who have been redeemed and washed in His blood, regenerated and sealed by the Holy Spirit, and that they are saved to worship and to serve; that it is the responsibility and privilege of all who are saved to seek to win others to Christ, to the "uttermost part of the earth"; that they should seek to live a holy life, to separate themselves from and forsake all that might dishonor God, cast discredit on His cause, or weaken their testimony.
15. We believe that there is a personal devil, a being of great cunning and power, who is "the prince and the power of the air," "the prince of this world," and "the god of this age." We believe that he can exert vast power but only as far as God permits him to do so; that he shall ultimately be cast into the lake of fire and brimstone and shall be tormented day and night forever.

## INTRODUCTION

### A Word from the President, Dr. Richard D. Land:

For most of my ministry, like SES, I have labored to reach the lost, to strengthen the church to serve the Lord's Kingdom and to defend the faith.

Over the years, it has become increasingly clear to me that the way you spell evangelism, discipleship, missions, and Christian education in the 21st century is "apologetics."

For over 20 years, SES has admirably maintained a dual commitment to evangelism and apologetics. I look forward to strengthening that commitment in the years to come and to making SES "the" place for you to go for the apologetics training needed to fulfill God's calling in your life.

Our nation and our churches desperately need revival, awakening, and reformation. Apologetics means, among other things, "loving people enough to answer their honest questions." Hundreds of SES graduates are already proclaiming and defending the Christian faith from the pulpit, on campus, on the mission field, in the chaplaincy, and in corporate America.

If you have not already made the decision, please prayerfully consider joining the SES family in producing an ever increasing number of graduates who will be the green berets and paratroopers of God's army, and who will be used by Him to win tremendous victories for Christ and His kingdom. Through our cutting edge online education, SES is able to provide the quality, practical education you need wherever you are in America or the world. Our professors will challenge your mind, strengthen your faith, and warm your heart. We are educators, but we are first and foremost compassionate brothers and sisters in Christ who will come alongside you in your personal faith journey of service and commitment.

## Brief History

Southern Evangelical Seminary was co-founded in 1992 by Ross Rhoads, former evangelist and then Pastor of Calvary Church in Charlotte, NC, and Norman Geisler, long-time Seminary professor and apologist. Pastor Rhoads' burden for evangelism and Professor Geisler's concern to defend the historic Christian Faith combined in the two-fold vision of the seminary to evangelize the world and to defend the historic Christian Faith. Southern Evangelical Seminary was officially incorporated in the State of North Carolina on January 6, 1992.

A feasibility study prepared by Dr. Geisler was presented to and approved by the Calvary Elders on February 24, 1992. The agreement with the church included the acceptance of its doctrinal statement and involved a fraternal and supportive relationship between the two organizations. However, both entities agreed to remain legally and economically independent and autonomous. Ross Rhoads was appointed as the first President of the Seminary and Norman Geisler was the first Dean.

By May 4, 1992 Southern Evangelical Seminary had obtained permission from the State of North Carolina to offer a Seminary program with degrees, as provided for under North Carolina General Statutes Section (G.S.) 116-15 (d). Preparation began to develop a faculty, catalog, and library and the first classes began in September of 1992. The Seminary grew rapidly, attracting students from all over the United States and several other countries; from the beginning it attracted national attention by its unique program in evangelism and classical apologetics.

In 1995 the first graduate received his degree. By late summer of 1997 the Seminary moved to McKee Road in Charlotte to property graciously provided by McKee Road Baptist Church.

In 1999 Dr. Norman Geisler was appointed President of the Seminary. Also in 1999, Southern Evangelical Seminary was accepted as a member organization of the Evangelical Council for Financial Accountability (ECFA), certifying that it has met all standards of financial integrity and Christian ethics.

On March 2, 2001 Southern Evangelical Seminary was granted accreditation by the Transnational Association of Christian Colleges and Schools (TRACS), a national accrediting association recognized by the United States government. That same year the Seminary started the Doctor of Ministry Program.

In 2003 Southern Evangelical Seminary completed the building of its own 23,000 square foot facility on a ten and one-half acre lot located at 3000 Tilley Morris Road, Matthews, NC. By the fall of 2004 Southern Evangelical Bible College was established to offer students the opportunity to complete an undergraduate degree.

In 2006 apologist and evangelist Alex McFarland was inaugurated as president of Southern Evangelical Seminary.

The Doctor of Philosophy (Ph.D.) degree was approved by TRACS in 2007.

In the spring of 2008, a 25,000 square foot facility was added, which doubled the library, and provided more classroom space for students in the growing residency program. The new building also houses a radio station and a state of the art studio for recording.

In the spring of 2010 the Graduate School of Ministry and Missions was approved to offer the Master of Theology (Th.M.) as a four year academic degree.

In the summer of 2013 Dr. Richard D. Land was appointed the fourth president of SES.

# ADMISSIONS POLICY

## Admissions

Southern Evangelical Seminary desires students who are committed to Jesus Christ. Students are required to read, understand, and respect our statements of purpose and faith. Enrollment is open to qualified students, without distinction on the basis of race, color, nationality, ethnic origin, gender, age, or non-disqualifying handicap, who desire to engage in serious theological study in preparation for Christian service. The school does not discriminate on the basis of religion except to the extent that applicable law respects its right to act in furtherance of its religious beliefs and objectives.

Southern Evangelical Seminary is primarily a graduate school of theology. The prerequisite for a degree program, therefore, is a bachelor's degree from an accredited post-secondary institution or the equivalent. Students not meeting these qualifications do not qualify for a graduate degree program until their undergraduate requirements are satisfied. A student also must have maintained a better than average grade point average in his or her undergraduate program.

The purpose of this institution is to train men and women for Bible-based Christian ministries. Therefore, in addition to the academic requirements, there are spiritual requirements for admission in keeping with this purpose. These include Christian experience, spiritual growth, call to service, and gifts for ministry.

Students who do not meet the necessary undergraduate college requirements may petition for entrance into one of the Certificate programs. Acceptance into these programs is contingent upon the candidate meeting the following criteria:

1. Should have demonstrated pastoral or leadership skills for Christian ministry,
2. Should have completed at least two years of an undergraduate program or the equivalent, and
3. Should be approved by the Admissions Committee for entry into such program.

Specific requirements for these programs are detailed in the description of Academic Programs.

Admission into a program of study does not mean acceptance into candidacy for the degree. Only after completion of 30 hours (18 hours for M.A.R.) of credit with a cumulative grade point average of 2.5 (3.0 for D.Min.; 3.5 for Ph.D.) or better may a student apply for candidacy in the degree, diploma, or certificate.

All degree, diploma or certificate students: Candidacy for a degree must be applied for by October 1 preceding the Commencement at which the degree is to be conferred. Application must be accompanied by a non-refundable payment of a \$25 graduation fee.

# ADMISSION PROCEDURES

## Applications

Classes can be taken only by those who have completed the application process (degree, non-degree credit or audit) and have been admitted into the seminary. Applications for a degree program will only be considered by the admissions committee when all of the following items have been received:

1. A completed on-line application form through the secure SES student information system (<https://ses.populiweb.com/application/>) which includes:
  - a) Biographical data;
  - b) Photographs (upload a pass-port style photograph, head and shoulders, not required for audit or non-degree admissions);
  - c) Academic record from all institutions of higher education attended;
  - d) References—names and addresses of at least three (four if doctorate program) persons, including a pastor, to whom the applicant has sent reference forms;
  - e) Program of study for which the student is applying indicated on application;
2. Personal statement (a document written by the applicant 300–500 words) which includes:
  - a) The applicant’s spiritual autobiography;
  - b) The applicant’s aspiration for Christian service;
  - c) The applicant’s evaluation of his or her personality.
3. Official transcripts of the student’s academic record at all institutions of higher education attended are required. Undergraduate students must also include their high school or GED transcript. (The applicant must request each institution to send official transcript directly to the Office of Admissions.)
4. Application Fee. A non-refundable application fee of \$50 (\$60 for doctorate programs) must accompany each completed application form.

When the student’s file is complete, the admissions committee will take official action on the application. The applicant will then be notified by letter of acceptance into a specific degree program or other status. A student is strongly encouraged to apply 6 to 12 months before expected enrollment date but at least to complete the application process before the following deadlines:

**August 5** for Fall term admission

**December 15** for Winter module admission

**January 15** for Spring term admission

**May 1** for Summer term admission

Some specific degree programs may have other deadlines listed in the degree program description. The dates for each term may be found in the Academic Calendar.

### **Undergraduate Admissions**

In order to be admitted to the Bachelor of Arts degree program, a student must have graduated with a high school diploma or General Educational Development (GED). Additionally, the student must have completed either the Associates Degree or at least 60 transferable semester hours (or equivalence in quarter hours) of undergraduate courses at an institution accredited by an agency recognized by the Council on Higher Education Accreditation (CHEA) or the United States Department of Education (USDE), or the equivalent (as assessed by SEBC). If the student has not completed an associates degree that includes the SEBC general education requirement then they must take those hours elsewhere at an accredited institution. He or she must have maintained at least a 2.0 grade point average on a 4.0 scale in their college work done elsewhere. Students that have not completed the associates degree or two years (60 hrs) may be accepted as provisional or diploma status.

### **Undergraduate Provisional Admissions**

Provisional acceptance into the B.A. degree program indicates that a student has not yet met the required Associates Degree or 60 transferable semester hours (or equivalence in quarter hours) from an accredited institution. Such students must complete the Associates Degree or 60 transferable semester hours (or equivalence in quarter hours) which includes the SEBC general education requirement prior to acceptance into the Bachelor of Arts degree program. Provisional acceptance may also be granted if one does not meet the undergraduate GPA requirement. This requires that the student maintain a 2.5 or higher GPA on the first semester of work at SEBC (or on the first course in the case of a Online Education student) in order to be granted full admission.

### **Diploma and Dual Enrollment Admissions**

Those not meeting the college academic qualifications for the Bachelor of Arts degree may be admitted to either the Dual Enrollment (DE) or the Diploma in Religious Studies (D.R.S.). Admission to the Dual Enrollment Program is available to Juniors and Seniors who have distinguished themselves with high academic achievement (or, who have at least a 3.0 average). The dual enrollment courses are delivered online or oncampus concurrently with the regular undergraduate courses at SES.

### **Graduate Admissions**

In order to be admitted to a Masters degree program, a student should have a bachelors degree from an institution accredited by an accrediting agency recognized by the Council on Higher Education Accreditation, the United States Department of Education, or the equivalent (as assessed by SES). He or she must have maintained at least a 2.5 grade point average on a 4.0 scale for their college program.

### **Graduate Provisional Admissions**

If one does not meet the undergraduate GPA requirement, he may be granted a Provisional Admission. This requires that the student maintain a 2.5 or higher GPA on the first semester of work at SES (or on the first course in the case of a Online Education student) in order to be granted full admission.

2. Students who are qualified for a degree program, but do not desire to enter a degree program or attend courses for credit.

A resident or non-resident (online education) student requesting Audit Student status must submit an Audit Student Application. The Audit Student Application does not require references or transcripts. An Audit Student may attend any on campus or online course for which he is registered as an auditor upon the payment of the audit fee for each course.

Auditors may attend class lectures, but are not permitted to participate in class discussions, ask questions, or submit assignments for grading, except under special circumstances and at the Professor's discretion. ### **Non-Degree Credit Students**

Non-Degree Credit status may be granted to:

1. Students who do not meet the academic requirements for regular admission into a degree program but who desire academic credit.

A resident or non-resident (online education) student requesting Non-Degree Credit (NDC) Student status must submit a Non-Degree Credit Student Application. The Non-Degree Credit Student Application does not require references or transcripts. A Non-Degree Credit student taking courses

for credit must pay full tuition for each course so taken. Such a student can take no more than three (3) courses for credit, at which time enrollment in a specific degree program must be completed including submission of a complete admission application in order to continue to take courses for credit. Non-Degree status may also be granted to students who apply to a degree program but need to complete additional course work for acceptance into that degree program. Credits earned under Non-Degree status are valid for six years before entering a degree program. Additional work may be required after that period. Admission as a Non-Degree Credit student does not guarantee future admission into a degree program. A Non-Degree Credit student may audit any classes.

### **Continuing Education Students**

Continuing Education status may be granted to:

1. Students who desire to earn Continuing Education Units related to various certifications or licensing.
2. Students that desire to take classes for CEU credit, non-degree credit or audit.

Southern Evangelical Seminary grants Continuing Education Units (CEU) to qualifying students in the areas of Biblical and Educational studies for participation in certain courses and conferences (see Registrar for a list). Students desiring CEUs must apply by completing a Continuing Education Application provide their legal name and be approved by the Director of Admissions. A CEU certificate will be granted based on participation and attendance in courses or conferences based on clock hours. Students desiring CEUs for attendance at various conferences must be registered as a CEU student prior to the conference or at the conference to have CEU credit issued. Students must also verify their attendance at the conference by signing in at the SES conference registration desk. An admission to CEU status does not guarantee future admissions to a degree program and CEU credit cannot count towards completion of a degree program. CEU transcripts and/or certificates are issued by the Registrar after the completion of the course or conference only for individuals who have followed the above procedures for admissions and registration prior to course or conference attendance. Students with CEU status may also take up to three (3) courses for credit or audit any classes.

### **Visiting Students**

Visiting Student status may be granted to anyone who is currently a student enrolled at another accredited seminary and who wishes to take courses for credit in residency only from Southern Evangelical Seminary for the purpose of transferring such courses to that seminary. A student requesting Visiting Student status must submit a Visiting Student Application. The Visiting Student Application does not require references or transcripts. A Visiting Student may take courses for credit or audit. It is up to the student to ascertain whether courses will transfer to the desired seminary by contacting that seminary.

### **Application Checklist for Audit, Non-Degree Credit, CEU and Visiting Student**

- Non-Degree Program Application
- Application Fee of \$50
- Passport Style Digital Photograph (not required for Audit status)

### **Acceptance Limitation**

The time between acceptance and the beginning of classes for all degree and non-degree programs is one year. If an accepted student has not begun classes within a year of acceptance the student

must re-apply.

### English Language Requirement

Students with a previous degree(s) granted by an institution(s) that is not accredited by an approved U.S. accrediting agency must have their transcript evaluated by an approved company that specializes in the evaluation of foreign transcripts. A list of acceptable companies is available from the Registrar's Office. After admissions an international student must complete the International Student Information Application in order to receive the form I-20. This application is available from the Office of the Registrar.

### Re-entering the Institution or Returning Alumni

Students who have officially withdrawn from Southern Evangelical Seminary, and those who have otherwise become inactive from the seminary for fifteen (15) consecutive months, may return to classes within one year of the time of their official or automatic withdrawal without penalty. After the one year period, a reinstating fee of \$25 will be charged. A student who returns within three (3) years may enter under the same catalog as he/she originally was under. To re-enter after an absence of three (3) years, a new application must be completed. A student returning after three (3) years enters under the current catalog. ## STUDENT AND ALUMNI SERVICES

While Southern Evangelical Seminary exists as an academic institution, there is more to producing competent leadership than academics. The Student and Alumni Services Department operates in conjunction with the academic departments to provide a well-rounded experience for the students and their families while they are in seminary. The Department's objective is to enhance and support the educational experience of the student by offering services which will encourage the student's development in social, spiritual, intellectual, physical, and moral areas. We desire that all of our students fulfill their personal and professional goals as Christian leaders and as active citizens in the society in which they live.

All activities of the Student and Alumni Services Department are grounded in the Scriptures. Students are encouraged to incorporate what they are learning in the classroom into their daily lives at home, in the church setting, and in the working world.

### Alumni Relations

The Student and Alumni Services Department seeks to maintain strong ties with SES graduates as well as to provide continuing support for them in their various endeavors. Alumni Services provides updates for ministry and job opportunities as well as assists with housing needs. Seminary events and activities are communicated to Alumni via e-mail and a biannual e-newsletter is published in June and December. SES graduates are encouraged to be a part of the SES Alumni Association and take advantage of its membership benefits.

## Credit Hour

In accordance with Federal policy (effective July 1, 2011 Department of Education 600.2) Southern Evangelical Seminary defines a credit hour as the amount of work represented in the achievement of learning outcomes (verified by evidence of student achievement) that reasonably approximates one hour (50 minutes) of classroom or direct faculty instruction and a minimum of two hours (2 hrs.) of out-of-class student work for graduate level and one and a half hours (1.5 hrs.) for undergraduate level, each week for approximately 15 weeks for one semester or the equivalent amount of work over a different amount of time.

## Course Papers

All assigned course papers are to be submitted in proper form unless the instructor indicates other-

wise. The standard is the latest edition of Kate L. Turabian, *A Manual for Writers of Research Papers, Theses, and Dissertations*.

### **Examinations**

Except in cases of serious illness or family emergency, students are expected to be present for all scheduled examinations. Requests to take an examination at another time must be made to the class instructor.

### **Attendance**

Attendance is expected at all class sessions, except in cases of emergency. Please see the current student handbook for details. Students are not allowed to take a Module for credit if the Saturday of the Module is missed. Unregistered students are not allowed to attend class. Visitors are allowed to attend one class, but only with the instructor's permission.

### **Class Changes (Drop/Add, Change of Status)**

All changes in a student's class load (Resident and Online Education), including dropping or adding courses or changing credit/audit must be done before the start of the semester. Changes in a student's class load, either dropping or adding courses, must either be done on a Drop/Add form available from the Registrar's office or online through the student information system (SIS). Course withdrawals (after the two week period) are dealt with in "Withdrawal from a Course."

### **Withdrawal from a Course**

A resident or non-resident (Online) student who officially withdraws from a course in the first two weeks will receive an automatic "Withdraw-Passing" ("WP"). Any withdrawal after the second week will be assigned by the class instructor as either "Withdraw-Passing" ("WP") or "Withdraw-Failing" ("WF"), depending on his or her assessment of how the student is doing in the class up to that point in time. Class attendance may be taken as a factor in the instructor's determination of the student's grade (see Attendance). Any withdrawal after the last day of class for a semester will be an automatic failure ("WF"). To withdraw from a class a student must complete a "Withdraw" form available in the Registrar's office or the student information system. The form must be signed by the instructor with a grade ("WP" or "WF") indicated and then turned into the Registrar's office.

### **Repeating Course Work**

Courses for which grades of "F" or "WF" have been earned may be repeated for credit, with grades for repeated attempts counting for grade point average purposes. All entries on the transcript, however, remain a part of the student's permanent academic record and will be computed in the overall GPA.

No course in which students have received a passing grade ("D-" or better) may be repeated for credit. Students may repeat courses as audit for self-improvement at half the current audit price. All normal tuition and fees will apply to all repeated courses.

### **Transfer of Credits**

Credits earned at other schools may be applied up to one-half of a student's Undergraduate or Graduate degree program (not including Doctorate degrees) at Southern Evangelical Seminary subject to certain conditions: The credits must be of a comparable level and reflect a transcript grade of "C" or better, in a subject appropriate to the student's degree program at Southern Evangelical Seminary, and should have been awarded by an accredited school. An accredited school is one approved by an agency recognized by the Council on Higher Education Accreditation (CHEA) or the

U. S. Department of Education (USDE). Credit transfers from non-accredited schools are reviewed on a case by case basis and may require submission of an academic catalog or course syllabi. Other restrictions may also apply for specific degree programs.

Official Transcripts from the issuing institution must be sent to the Registrar's Office at Southern Evangelical Seminary. Prior approvals for credits taken at non-accredited schools are not granted. Transfer of credit is not automatic. Upon written request, the Registrar will evaluate the official transcript and any other necessary documentation. Then the student will be informed of the credit that may be transferred.

### **Prior Learning Assessment**

Undergraduate students in a degree program may earn up to 12 undergraduate semester hours of unduplicated credit based on experiential learning by successfully completing SM302 Portfolio Development and then submit a portfolio(s) corresponding to an SEBC course(s). Courses outside the SEBC curriculum may also be applied for, but must receive prior approval from qualified faculty members before being submitted. Qualified faculty members who provide a written explanation for credit awarded evaluate portfolios. There is \$100 non-refundable charge per portfolio. Experiential learning credit may not be given for any graduate level courses and Prior Learning Assessment (PLA) credit is not transferable.

### **Validation of Courses**

Graduate or undergraduate students may apply to validate a required course if they have college credit for a similar course. The following provisions apply to those seeking Validation of Courses:

1. Validation of Courses must be requested within three semesters (one calendar year) of the student's enrollment at Southern Evangelical Seminary.
2. The student must have received at least a "B" in the course for it to be considered for validation.
3. Validation of a course does not give credit for the course or reduce curricular requirements, but does require substitution of elective hours in the same department as the course validated.
4. Students desiring to validate required courses should consult the Registrar's Office.

### **Advanced Standing**

Students entering a graduate degree program with a strong background in a certain field may be granted Advanced Standing Credit upon successful completion of the Advanced Standing exam.

Students desiring to take an Advanced Standing exam must notify the Registrar in writing at least 30 days prior to the beginning of either a Fall or Spring semester. The exam will be given the week before classes begin. Arrangements are set by the Registrar. The Advanced Standing exam, available to students enrolled in residential degree programs, must be taken within three semesters (one calendar year) of the student's enrollment at Southern Evangelical Seminary. There is a \$25 non-refundable fee for each Advanced Standing exam taken. Advanced Standing Credit may not be transferable to another institution.

Students who take the Advanced Standing exam but who fail to achieve an acceptable score will be required to take the Seminary classes that fulfill the stated requirements. Students have only one opportunity to pass an Advanced Standing exam in each subject.

The following provisions apply to those seeking Advanced Standing:

1. Students with a transcript grade of “A” or “B” in college work (from an accredited school) that parallels the content of the Seminary’s introductory required courses are permitted to take a test to demonstrate their proficiency in these disciplines.
2. Students with transcript grades lower than a B in the college level courses will not be permitted to test for Advanced Standing.
3. Students may be granted Advanced Standing Credit for no more than 1/6 of their degree program.
4. A student without acceptable transcript credit for college work in Greek who nevertheless offers strong evidence of expertise in this biblical language may, with the approval of a language professor, be permitted to take the Advanced Standing exam.

Those who achieve Advanced Standing Credit in Greek are permitted but not required to take advanced exegetical courses in these languages in the Seminary unless the degree program requires it.

Advanced Standing Credit is reflected on the student’s transcript.

### **Incomplete**

A grade of “Incomplete” (“I”) may be granted in emergency circumstances. An emergency is defined as a debilitating illness or extended hospitalization of the student, spouse, child, or parents, or the death of the student’s spouse, child, or parent.

Permission for an “Incomplete” (“I”) must be requested prior to the end of the semester. An “Incomplete” (“I”) grade is not granted automatically. A “Request for an Incomplete Grade” form is available in the Registrar’s Office. When a “Request for an Incomplete Grade” form is completed, it must be approved by the Registrar or the Academic Dean and placed in the student’s academic file in the Registrar’s Office. If the student does not complete and submit a “Request for an Incomplete Grade” form to the Registrar’s Office, no “Incomplete” (“I”) grade will be approved for the course in question.

An approved “Incomplete” (“I”) automatically becomes a “Failure” (“F”) 30 days after the end of the semester in which it was assigned, unless the course requirements are satisfied and the instructor assigns a new grade. Incompletes from Fall, Winter, Spring, and Summer modules are likewise due 30 days following the end of the semester or work due date.

If the student fails to complete the work before the “Incomplete” expires and there is no extension requested and granted, the “I” becomes an “F” administratively.

### **Academic Restriction and Probation**

Any student whose grade point average for a semester falls below 2.5 is automatically placed on Academic Restriction for the following semester. Students on Academic Restriction will be limited to no more than six semester hours in the succeeding semester. If the student on Academic Restriction fails to achieve a 2.5 grade point average during the semester, the student will automatically be placed on Academic Probation. A student on Academic Probation will be limited to no more than three semester hours and must earn at least a 2.5 grade point average during that semester or that student will be suspended from the Seminary by the Academic Committee. Students who

have been suspended for academic reasons will not be considered for readmission until the student appeals to and is recommended for readmission by the Academic Committee. Students readmitted after academic suspension will automatically be on Academic Probation during the first semester. Academic Restriction and Probation are not recorded on the academic transcript.

### **Good Standing**

When any student's semester GPA is 2.5 or higher the student is considered in good academic standing. Good Standing is not recorded on the academic transcript.

### **Withdrawal from School**

If a student informs the Seminary and does not enroll for courses for more than two consecutive terms, including the Winter or Summer modules, he or she is considered to have officially withdrawn from the Seminary. Students who do not inform the Seminary of their intention to withdraw become inactive automatically if they do not enroll for courses for fifteen (15) consecutive months. Such inactive students follow the same "Re-entering the Institution" procedures as students who have notified the Seminary of their withdrawal.

### **Appealing Academic Status**

The system of due process for appealing academic status is covered in the Student Handbook.

### **Graduation Requirements**

In order to become a candidate for a resident or online education degree at Southern Evangelical Seminary, a student must

1. Have successfully completed the entire course program for that degree as set out in this catalog with a cumulative grade point average of 2.5 (3.0 for D.Min., 3.5 for Ph.D.) or better, within the specified time limits.
2. Fulfill all the field experience requirements for that degree.
3. Submit, and have accepted, a thesis, dissertation or portfolio where one is required in the program.
4. Complete at least one-half of the degree program at Southern Evangelical Seminary (some programs may require more than this).
5. Satisfy all financial obligations to the Seminary, including the Seminary Library.
6. Give evidence of a good Christian life and character.
7. Be recommended for a degree by the faculty of Southern Evangelical Seminary.

### **Time for Completion of a Resident Degree**

The B.A. degree must be completed within six (6) calendar years from initial enrollment. The M.A.R. degree is a one year program that must be completed within four (4) years from the date of first enrollment. The M.A. degrees are two year programs that must be completed within six (6) years from the date of first enrollment. The M.Div. degrees are three year programs that must be completed within nine (9) calendar years from initial enrollment. The Th.M. degree is a four year program that must be completed within twelve (12) years from initial enrollment. All resident students are held to the current Academic Calendar for course completion dates.

### **Time for Completion of a Online Education Degree**

The B.A. must be completed within eight (8) calendar years from initial enrollment. The non–resident (online education) M.A.R. degree (or certificate) program must be completed within five (5) years from beginning of the first course. The M.A. degree (or certificate) programs must be completed within eight (8) years from beginning the first course.

All diplomas and/or certificates corresponding to degrees carry the same times for completion. Any extension to these limits must be requested in writing to the Dean and be approved by the Academic Committee of the faculty before it may be granted and applied to the student’s academic record.

### **Christian Character and Conduct**

Since Southern Evangelical Seminary is a professional school, training persons for Christian ministries and leadership, it demands a high standard of character and conduct as measured by the Scriptures. Students who, in the opinion of the faculty, do not demonstrate these qualities during their tenure at Southern Evangelical Seminary will not be recommended for graduation.

### **Application Deadline for Graduation**

Candidacy for a degree must be applied for by October 1 preceding the Commencement at which the degree is to be conferred. The application for candidacy must be accompanied by payment of a non–refundable \$50 graduation fee.

## FIELD EXPERIENCE

Brian Huffling, Director

According to Southern Evangelical Seminary's Purpose Statement, one of the unique aspects of the program is that it is implemented in relation to the local church or outreach ministry. Students whether resident or online are encouraged to work with local churches. The field experience program is key to providing this local church exposure.

Field experience means a regular personal involvement in some aspect of a ministry that is people oriented and supervised. It involves a two to three hour per week commitment in ministry.

Wherever the student may reside there are usually numerous avenues for the practical application of theological training. The relationship Southern Evangelical Seminary has with many of the local churches offers a wide range of ministry opportunities for direct involvement in ongoing, church-related service.

Students are permitted to arrange their own field experience involvement, but they must be cleared through the Director of Field Experience before the field experience begins, and tuition for the service must be paid, or credit will not be granted. At the completion of a term's experience, a detailed report must be submitted. On the basis of this report and on recommendation of the Experience Supervisor, a pass/fail grade will be recorded for each required term of field experience.

The Seminary views Field Experience as an essential part of the learning process. The goal of the program is to develop the student in four areas:

1. *Personal Maturity.* The character of the Christian worker is as important as the ministry skills which he or she possesses. In the National Readiness for Ministry Survey, six character traits were identified as being most important. Field experience is designed to help develop these traits:
  - a) Service without regard for acclaim
  - b) Personal integrity
  - c) Christian example
  - d) Responsive functioning
  - e) Positive approach
  - f) Acknowledgment of limitations
2. *Theological Integration.* In one's ministry it is essential that belief and behavior agree. What one believes should be expressed in one's actions. It is the aim of field experience to help the student close the gap between profession and practice. One must be able to explain the theological basis for one's actions.
3. *Spiritual Formation.* The maintenance of good spiritual discipline is essential for Christian work. During the field experience activity it is important that the student discover spiritual resources, without which ministry is impossible. For instance, the student must learn to cope with disappointment and failure. It is important that one learns to trust the Lord when patience is stretched thin. Habits which promote regular spiritual growth must be developed.

4. *Skill Development and Demonstration.* It is essential that the student discover his or her own skills and learn to use them effectively in ministry. During the field experience the student is encouraged to cultivate the abilities which are essential for Christian ministry.

# BACHELOR OF ARTS

Floyd Elmore, Director of Bible College

## Degree Granted through Southern Evangelical Bible College

- Bachelor of Arts (B.A.)  
major in  
Religious Studies

## Dual Enrollment

Dual enrollment programs are collaborative efforts between high schools and colleges in which high school students are permitted to enroll in and earn credit for successfully completing college courses. This means that High School students earn credit for successfully completing college courses and concurrently earn credit toward the requirements of their high school diploma (students must check with their school to see if they have a Dual Enrollment policy in place). These courses may be taught on campus or online. Students involved in the program may jump start their college experience and accelerate their college education by accumulating transferable college credits. Students are challenged intellectually and academically and are more likely to continue their education beyond high school. Another benefit is that students have access to a college education without interrupting normal high school activities. There are four courses that SES offers for Dual Enrollment. All of these courses can be taken fully online: AP401 Introduction to Christian Apologetics; AP412 Ethics: Decision Making in Contemporary Culture; AP302: World Religions and New Religious Movements; ST302 Survey of Bible Doctrine. The Dual Enrollment Program is available to Juniors and Seniors who have distinguished themselves with high academic achievement (or, who have at least a 3.0 average). The dual enrollment courses are delivered online concurrently with the regular undergraduate courses at SES.

## Diploma Granted through Southern Evangelical Bible College

- Diploma in Religious Studies (D.R.S.)

Both the degree and the diploma programs provide training for persons committed to various ministries, such as apologetics, evangelism, missions, Christian education, etc. The degree or diploma is offered both as a resident and online learning program. Those not meeting the academic qualifications for the Bachelor of Arts degree may complete the two years (60 hrs.) of courses offered through Southern Evangelical Bible College and be granted the Diploma in Religious Studies (D.R.S.). Total hours for the Diploma in Religious Studies – 60 hours.

## Undergraduate Transfer of Credits

In addition to the required 60 hours or the Associates degree from another accredited institution, an applicant into the B.A. program may be eligible to transfer up to thirty (30) hours of course work in the Religious Studies major, subject to evaluation and approval by the Registrar. For transfer of credit policies, see Transfer of Credit under Academic Policy and Procedures.

## Advanced Standing in a Graduate Degree

Some 400 level classes may be taken as Advance Standing towards the Master of Divinity degree program at Southern Evangelical Seminary: BL401; AP401; ME401; NT403; OT403; AP412; AP400 Elective; 400 Elective. ### Graduate Certificates

Certain students who do not fully meet the undergraduate requirements for entrance into one of the degree programs may petition for entrance into the certificate program. Acceptance into these programs is contingent upon the candidate meeting these criteria:

1. Should have demonstrated pastoral or leadership skills for Christian ministry,
2. Should have completed at least two years of an undergraduate program, and
3. Should be approved by the Admissions Committee for entry into such program.

The course of study for the Certificates is exactly the same as the corresponding Master of Arts program. Therefore, if, or when, a bachelor's degree is obtained by the student, his or her Certificate may be upgraded to the corresponding Masters degree upon petition to the faculty. If more than five (5) years have transpired since graduating from Southern Evangelical Seminary, the student may be asked to complete supplementary work (to update his or her education) before being granted a degree.

# DOCTOR OF PHILOSOPHY

Brian Huffling, Director of Doctor of Philosophy Program

## Doctorate Degree Granted through The Veritas Graduate School of Apologetics

- Doctor of Philosophy (Ph.D.)  
Major in:  
**Philosophy of Religion**

## Admission Requirements Provisional Acceptance

For general admission standards, see the section on General Information. In addition, the following specific requirements are necessary for admission to the Ph.D. program (students lacking these specific requirements may complete courses in the appropriate areas to qualify.):

1. A graduate degree from an accredited institution and at least 15 graduate hours in philosophy. (Certain apologetics courses may substitute for some of the philosophy requirement.)
2. Present evidence of potential for original academic research by submitting a 20–25 page research paper or thesis in the area of apologetics or philosophy of religion.
3. A cumulative grade point average of at least 3.5 (on a 4.0 scale) in previous graduate studies.
4. Submit adequate test scores no older than five years from the Graduate Record Examination (GRE) General Test (GRE Code: 0005).

Applicants who do not meet the requirements for provisional acceptance must be admitted to other graduate programs to complete recommended and required work to remove deficiencies. Such students will be required to maintain a 3.5 GPA and demonstrate superior research skills. Such students may be required to submit an acceptable thesis prior to acceptance as a Ph.D. student.

## Admission Requirements: Full Acceptance

For full acceptance into the Ph.D. program, students who have been provisionally accepted will be required to:

1. undergo an interview with the admissions committee or its representatives.
2. take and pass an entrance exam that allows the applicant to demonstrate basic knowledge in theology, biblical studies, apologetics, and philosophy. Study questions for the entrance exam are available upon request to those who have been granted provisional acceptance. The entrance exam must be taken within two weeks of receiving the study questions.

## Application Deadline

Applications for admission into the Fall semester are due by January 15. The applicant will be notified as to whether provisional acceptance has been granted at which time the student will schedule the time for the entrance exam and personal interview. If full acceptance is granted, the student has until April 15 to decide to accept the offer.

## Language Requirement

Demonstration of proficiency in one research language is required (usually French or German). Language is relevant to the area of dissertation research. A modern language other than French or German may be substituted as required by the dissertation research (e.g., Greek for Ancient or Latin for Medieval). Demonstration of proficiency must be completed prior to beginning comprehensive

exams. Proficiency must be demonstrated by passing language examination offered by the Seminary or by the successful completion of approved language courses. Biblical languages (Hebrew or Koiné Greek) may count as the language requirement if it is relevant to the dissertation research.

### **Course Requirements**

Students may be full time (9 hrs. or more per semester) or part time (less than 9 hrs. per semester). Courses are offered to resident students as one week modules completed on the campus of Southern Evangelical Seminary and are available to distance (off campus) students via streamed internet.

### **Transfer Credit**

Not more than four courses (12 hours) from other Ph.D. or equivalent research-based doctoral courses may be considered for transfer.

### **Comprehensive Exams**

The student will be required to pass written and oral comprehensive exams prior to the acceptance of the dissertation prospectus.

### **Candidacy Requirements**

Students will be admitted to candidacy for the Ph.D. degree by action of the faculty only after (1) all residency and course requirements leading to the degree have been completed; (2) all language requirements, comprehensive written, and oral examinations have been passed; (3) evidence of proven Christian character and ability in Christian ministry demonstrated to the faculty; and (4) complete adherence to the doctrinal statement of Southern Evangelical Seminary as evidenced through an exit interview with the Doctor of Philosophy Director, Dean, and President.

### **The Dissertation**

The student is required to produce a Dissertation that makes an original contribution to his or her field of study. Details of the Prospectus, Dissertation, and Defense are specified in the Ph.D. student handbook.

### **Graduation Requirements**

See “Graduation Requirements.” In addition, candidates for the Ph.D. degree must have completed the entire course program for that degree as set out in the catalog, with a cumulative grade point average of 3.5 or better, within the specified time limits. Submit, and have accepted, a dissertation according to the requirements in the program. The completion of these minimal requirements does not automatically qualify a student for the degree. The candidate must evidence to the satisfaction of the faculty proven Christian character and ability in Christian ministry.

### **Limitations and Program Continuation**

The Ph.D. program must be completed within seven (7) years of enrollment. Applications for extensions to this time frame must be approved by the Academic Committee.

### **Ph.D. Fellowship/TA Assistantship**

There are limited opportunities for financial aid in the form of a Ph.D. Fellowship (usually a Teaching Assistantship). For information on and the application for the Ph.D. Fellowship contact the Ph.D. director.

# DOCTOR OF MINISTRY

Douglas E. Potter, Director Doctor of Ministry Program

## Doctor Degree Granted through the Graduate School of Ministry and Missions

- Doctor of Ministry (D.Min.)

Major in:

**Apologetics**

### D.Min. Admission Requirements

For general admission standards, see the section on General Information. In addition, the following specific requirements are necessary for admissions to the D.Min. program:

1. Completion of a Master of Divinity degree or its equivalent. SES defines M.Div equivalency as an accredited graduate degree and not less than 80 graduate semester hours relevant to the field of study.
2. GPA of 3.0 or above.
3. Three years of ministry experience.

### Provisional D.Min. Degree Admission

Students with an accredited graduate degree relevant to the field, which lacks the required equivalency hours, may under provisional acceptance complete all coursework leading to the degree except for the major project. Admission as a Provisional D.Min. Degree Credit student does not guarantee future admission to the D.Min. program.

### Non-D.Min. Degree Admission

Doctor of Ministry courses are open to persons who have completed the M.Div. degree or its equivalent. Priority is given to D.Min. degree students, and it is possible that Non-D. Min. degree students would be dropped or denied admittance to a course. Under Non-D. Min. Degree status students may take 4 classes (12 hours). Admission as a Non-D.Min. Degree Credit student does not guarantee future admission to the D.Min. program. As part of the Non-Degree admissions process such students must submit an official transcript showing the completion of an M.Div. degree or its equivalent.

### Doctor of Ministry Transfer of Credits

An applicant into the D.Min. program may be eligible to transfer up to six (6) hours of course work, subject to evaluation by the Registrar and approval of the Director of the D.Min. Program. Normally only courses taken after receiving an M.Div. or equivalent can be credited toward the D.Min. degree. Students may also be required to complete remedial work to meet the minimum requirements for acceptance into the D.Min.

### Ministry Project

The ministry project is the student's culminating work toward the degree program. The ministry project will involve the practical application of Apologetics into the particular ministry of each student. Details on the subject, length, procedure, and deadlines are available in the Doctor of Ministry Handbook.

### Admission to D.Min. Candidacy

Students may be admitted to candidacy for the D.Min. degree by action of the faculty upon the completion of the following requirements:

- 1) Completion of all residence requirements and course work leading to the degree.
- 2) Evidence of proven Christian character and effectiveness in Christian ministry.

### **Doctor of Ministry Graduation Requirements**

See “Graduation Requirements.” In addition, candidates for the D.Min. degree must have completed 30 semester hours of course work plus the major project (6 hours) with an accumulative GPA of 3.0 or better. The completion of the minimal requirements does not automatically qualify a student for the degree. The candidate must evidence to the satisfaction of the faculty proven Christian character and ability in Christian ministry.

# ONLINE EDUCATION

Jeff Lenhart, Director of Online Education

The online courses at SES use the Moodle Course Management System and are flexible courses that can be taken from anywhere in the world. The online education program follows the resident academic calendar. Most courses run about 15 weeks in length, with weekly assignments and learning activities. Reading assignments are supplemented by online presentations by the professor, online topical discussions, a study guide or lesson notes, learning activities, online quizzes or exams, and course projects and papers.

Course materials (except for published textbooks) are available to registered students and all assignments can be submitted electronically through the course website. Most classes use asynchronous discussions, so you don't have to be available at a certain time each week for "class." However, a growing number of the online courses are also utilizing Adobe Connect for periodic online synchronous web discussions.

Degrees offered by online learning include: Certificate in Islamic Studies (undergraduate and graduate); Certificate in Scientific Apologetics (undergraduate and graduate); B.A. in Religious Studies; M.A.R (Master of Arts in Religion); M.A. in Apologetics; M.A. in Philosophy and D.Min. in Apologetics. All admission qualifications to the various degree (or certificate and diploma) programs apply to online education admissions (See Admissions Procedures).

All degree (or certificate and diploma) program requirements are identical to those listed in Degree Programs. See time limitations on online learning programs in Academic Policy and Procedures, Time for Completion of Online Education Degree.

## Southern Evangelical Seminary Online Education

### 1. One (1) Week Intensive Modular courses using Live Streaming

Special adjunct professors and guest lecturers, who are not available for regular length courses, often teach the Modules at Southern Evangelical Seminary. Modules at Southern Evangelical Seminary are a chance for students to take advantage of these academic specialists. Modules take place from Monday to Friday from 6:00 pm to 10:30 pm, and on Saturday from 8:00 am to 4:30 pm.

These residential courses, offered synchronously through live video streaming using Adobe Connect,

allow online students to participate in the actual course through an online conferencing format (\*see “Live Streaming” below for more details). [“Synchronous” = at the same time. You must participate via your computer during the same time as the residential class meets (Eastern Standard Time). “Asynchronous” = activities may be completed at the convenience of the student, as long as they are completed with the time frame given (prescribed completion times, due dates, etc.)]

## **2. Semester-long Online Classes (15 weeks long)**

These classes are cohort driven in that the same students will start and finish the semester together. This way, students have an opportunity to learn together, as well as get to know their fellow classmates. The classes are designed to use the latest online features in order to offer students the same academic rigor as the resident courses with the addition of robust technology-enhanced conveniences. These online classes typically include the following features: Reading assignments supplemented with narrated presentations by the content professors, interactive discussion forums, online lessons, integrated group activities, online quizzes and exams, and drop boxes for the digital submission of papers and projects.

## **3. Semester-long “Live-Streaming” Classes (15 weeks long)**

There are some residential courses that will also be offered synchronously through live video streaming using Adobe Connect. This will allow online students to participate in the actual course through an online conferencing format (\*see “Live Streaming” below for more details).

### **Overview of Online Live Streaming using Adobe Connect**

Live streaming is available for the one-week modular courses offered at SES and selected residential courses. These courses are taught in residence, but synchronous (at the same-time) live streaming of the course is available for students who cannot attend the class in residence. (Live streaming classes are offered at the same tuition price).

Through live-streaming students will be able to:

1. View the instructor through a video window on their computer
2. View presentations and documents through a shared video screen with the professor (from the professor’s computer)
3. Hear questions from the resident students
4. Ask their own questions through their computer microphones

### **Technology Requirements for Online Education**

Online Education is run through Moodle. All online education students must have access to the internet and be able to stream videos. All documents uploaded to Moodle should be in PDF format (unless otherwise specified by the professor). Streaming students should have headphones and a mic if they plan on participating during the lectures.

# DESCRIPTION OF COURSES

## ONCAMPUS COURSES

OnCampus classes meet each semester (Fall and Spring) Monday through Friday, from 6:30 to 9:30 p.m., one night per week, for fourteen weeks. On occasion, some day classes may be scheduled and Intensive modules may take place at various times throughout the year, especially Winter (January) and Summer (May & June) see academic Calander for dates. The Modules at Southern Evangelical Seminary are often taught by adjunct professors and guest lecturers not available for regular length courses. The Module program at Southern Evangelical Seminary is a chance for students to take advantage of these academic specialists. Modules take place from Monday to Friday from 6:00 pm to 10:30 pm, and on Saturday from 8:00 am to 4:30 pm. Some Modules and semester classes are also offered synchronously through live-video streaming, so if you are not able to be present on campus, you can still participate in the actual course through an online conferencing format.

## ONLINE COURSES

Semester-long Online Classes (15 weeks). These classes are cohort driven in that the same students start and finish the semester together. The classes are designed to use the latest online features in order to offer students the same academic rigor as the onCampus courses with the addition of robust technology-enhanced conveniences. Semester-long Hybrid Courses (15 weeks). These are set up the same way as the online courses, but students spend the face-to-face class time in class discussions and group projects since the lecture material and exam material is handled online. This allows for a more intensive time for interacting with the content of the course, and it allows the professors to spend more time helping students work through the material.

Schedules of oncampus and online classes are available on the website ([www.ses.edu](http://www.ses.edu)) and registration should be made through the student information system Populi (<https://ses.populiweb.com/index.php>). Odd-numbered courses are usually scheduled during the Fall Term, and even-numbered courses during the Spring Term.
