

## International Incentive Program

Southern Evangelical Seminary recognizes the financial difficulty to students living abroad. In order to ease this burden and attract new international students, SES is offering the International Incentive Program.

### ELIGIBILITY

In order to qualify for this incentive program, a student must:

- Be admitted to a Degree program at SES
- Be a student in good standing
- Not be enrolled in any other SES scholarships or incentive programs
- Submit 2 utility bills showing residency outside the U.S.

### PROCEDURES

To obtain benefits, a student must do the following in order *prior to the start date of a semester*:

1. Complete enrollment in at least 2 courses for credit in a degree program
2. Complete the online International Incentive Program Application Form
3. Establish a satisfactory method of payment with Student Accounts *prior to the start of a semester*.

### BENEFITS

After a student is approved for the International Incentive Program, SES will apply a tuition benefit equal to 50% off of the second course.

This Incentive Program may be modified at any time. Tuition relief is awarded entirely at the discretion of SES. Questions about the Incentive Program should be directed to Jill Joyner, Student Accounts Manager at [jjoyner@ses.edu](mailto:jjoyner@ses.edu).
