

Job Type: Ministry

Position Title: Pastor

Position Description:

We are seeking a Pastor who God would call to shepherd our church in Colebrook, New Hampshire. An experienced and prayerful servant of God who can help us build upon current church life, and in turn reach out to a turbulent world with the grace and truth of the Gospel of Christ. One whose life corresponds with 1 Timothy 3:1-7; Titus 1:7-9; and solidly standing on the Lord's Word can equip the members and friends of the church into a closer walk with the Lord both individually and as a united Community of Faith.

Although the church has been affiliated with the United Church of Christ since the late 50's, over the course of the last eighteen months we have been moving in a more Biblical direction in partnership with and guidance provided by Intentional Interim Pastor Reverend Doctor Dick Carter. In accordance with this our Search has expanded to potential candidates of other Congregational backgrounds and affiliations.
