Other Details

Cannon Beach Bible Church is located in the picture-esque, quaint and world famous tourist destination of Cannon Beach, Oregon. We are a small, elder-ruled church committed to the accurate exposition of God's Word and the living out of the great commission. We are composed of about 30 members. We are thankful for God's sustaining of CBBC in an area that has a dearth of solid teaching. Our congregation spans an 80 mile long section of the Oregon Coast from Warrenton Oregon to Tillamook Oregon. The community is primarily composed of retirees, hospitality, logging, fishing and dairies. The church has grown about 500% in the last 5 years from 7 to 30. CBBC's distinctives are as follows:

Literal, grammatical historical hermeneutic

Dispensationalist

PreMillennial

Means of Grace

Expositional Preaching

Cessationist

The importance of sound doctrinal music that accurately communicates God's Word and is written by doctrinally sound writers

We are a unified and loving body of believers that enjoys being spiritually well fed.

We want to grow in sanctification and Christlikeness.

God has blessed us with much growth in the last 5 years. Not just numerically – we have also been blessed with spiritual growth in keeping with Luke 2:52.

In an area where all other churches bowed the knee to Ceasar – CBBC Leadership and congregation stood strong against external pressures.

We are a loving, spiritually growing body of believers. We yearn for the pure milk and meat of the Word.

We share our facilities with a very like minded Spanish congregation whose church meets Sunday nights
