MISSION AND PURPOSE

MISSION STATEMENT

The mission of Southern Evangelical Seminary (SES) is to train men and women, based on the inerrant and infallible written Word of God, for the evangelization of the world and defense of the historic Christian Faith.

PURPOSE STATEMENT

It is the purpose of Southern Evangelical Seminary to develop competent Christian leadership and service through quality degree and certificate programs. Central to this purpose is the provision of a biblical basis and an academic understanding of our commitment to Christ. This education will enable the learner to fulfill his or her personal and professional goals as a Christian leader and as an active citizen in the society in which we live. The infallibility and inerrancy of the Scriptures, the importance of the Church, and the ability to communicate and defend the Christian Faith are fundamental elements to this purpose.

The purpose of Southern Evangelical Seminary will be carried out in keeping with the following precepts:

1. *Education Based on the Inerrant and Infallible Word of God:* Although many other texts and reference materials will be used in classes, the final authority will be the Bible which we hold to be God's written revelation of His will and direction for life and service.
2. *Academically Rigorous Education:* Courses at Southern Evangelical Seminary lead to various undergraduate, graduate, and doctoral degrees with majors in Church Ministry, Apologetics, Philosophy, and related subjects. Southern Evangelical Seminary also provides for persons desiring this type of training but not qualifying for the graduate degrees through certificates in the appropriate fields which may be granted upon the completion of the prescribed study programs.
3. *For Both Men and Women:* Since various ministries of the Church include both men and women, Southern Evangelical Seminary encourages both to prepare for Christian service.
4. *Church-Relatedness:* One of the unique aspects of Southern Evangelical Seminary is that its program is implemented in relationship to the local church. Students are encouraged to work with local churches. A field experience program is provided for those preparing for church-related ministries.
5. *Relevance to the Contemporary World:* Since students will minister in a complex and changing world, Southern Evangelical Seminary endeavors to relate instruction to contemporary society.

OBJECTIVES

1. To increase the student's understanding of the Bible and of the doctrines of the historic Christian faith
2. To help the student develop an ability to defend the Bible and the doctrines of the historic Christian faith
3. To help the student develop a Christian worldview that recognizes all truth as God's truth
4. To increase the student's ability to understand and evaluate contemporary theological and moral issues from a biblical perspective
5. To help the student mature in relationship with God by Bible study, prayer, and worship
6. To increase the student's awareness of and involvement in evangelism and world missions
7. To help train students for church-related, counter-cult, and apologetic ministry

PHILOSOPHY OF EDUCATION

Southern Evangelical Seminary believes that the one, infinitely wise, personal, triune God is the source of all truth. This truth is manifest in both general revelation (Ps. 19:1-6; Rom. 1:19-20) and the special revelation of Scripture (John 10:35; 2 Tim. 3:16-17).

As persons created in God's image (Gen. 1:27; Jas. 3:9), redeemed from sin by His Son's death and bodily resurrection (Luke 24:38-39; 1 Cor. 15:1-6), renewed in His image (Col. 3:10), and taught by His Holy Spirit (1 Cor. 2:13-14), we are capable of understanding God's truth and sharing His love (2 Cor. 5:14-15) with a world that is otherwise in darkness (2 Cor. 4:34), error (John 8:32), and evil (Rom. 5:12; 1 John 2:16-17).

As a Christian educational institution, we endeavor to discover, disseminate, and defend the truth and love God has revealed (1 Pet. 3:15; John 13:34-35). We believe this is best accomplished in an atmosphere where students are offered a Bible-based, Christ-centered (2 Cor. 10:5), and God-honoring education (1 Cor. 10:31); where teacher and learner endeavor to know both the truth and the times (1 Chron. 12:32; Phil. 2:14-15), both the message and the milieu in which it is proclaimed.

In order to achieve our goal, we provide an educational opportunity where the Christian worldview is both a framework for thinking and a dynamic for living. To accomplish this, students should be taught not only to think correctly but also to pray fervently and to live uprightly (Jas. 5:16; Deut. 6:4-9; Mark 12:29-31). This occurs most effectively when both instructor and student relate properly to God and to one another through Christ, in view of His imminent return (Acts 1:7-8; 1 Thess. 4:13-18).

DOCTRINAL STATEMENT

1. We believe the sixty-six books of the Old and New Testament Scripture alone to be verbally inspired by God and inerrant in the original text, and that they alone are of supreme and final authority in faith and life.
2. We believe in one God who is Creator of heaven and earth, who is infinite Spirit, light, love, and truth; eternal, almighty, infallible in all things, including His foreknowledge of all future events as well as all free choices; that He is unchangeable, all wise, just, and holy; and that the triune God eternally exists in one essence and three Persons: Father, Son, and Holy Spirit.
3. We believe in the special creation of the entire space-time universe and of every basic form of life in the six historic days of the Genesis creation record. We also believe in the historicity of the biblical record, including the special creation of Adam and Eve as the literal progenitors of all people, the literal fall and resultant divine curse on the creation, the worldwide flood, and the origin of nations and diverse languages at the tower of Babel.
4. We believe in Jesus Christ, the Second Person of the Trinity, the Eternal Word manifested in the flesh. We believe that He was conceived by the Holy Spirit, born of the virgin Mary, and that He is true God and true man, having two distinct natures co-joined in one Person.
5. We believe that the Lord Jesus Christ died as a representative and substitutionary sacrifice for the sins of every human being and thus offers salvation as a free gift based on grace alone.
6. We believe that the Lord Jesus Christ arose from the dead in the same physical body, though glorified, in which He had lived and died, and that His resurrection body is the pattern of that body which will be given to all believers at the return of Christ.
7. We believe that the Lord Jesus Christ ascended into heaven in the same glorified physical body in which He arose, was seated at His Father's right hand, assuring us of the perfection of His work of redemption, and that He now, as Head over all things to the Church, is engaged on behalf of the saved as their only Advocate.
8. We believe in the personal, imminent, and premillennial return of the Lord Jesus Christ for His redeemed ones followed by His millennial reign on earth.
9. We believe that man was originally created in the image and likeness of God, and that he fell through sin; and that as a consequence of his sin, he became dead in trespasses and sins, and that he became subject to the power of the devil. We also believe that this spiritual death, or total depravity of human nature, has been transmitted to the entire human race, the Man Christ Jesus alone being excepted; and hence that every child of Adam is born into the world with a nature which is totally corrupt.
10. We believe that only those who receive the Lord Jesus Christ as Savior on the condition of faith alone, apart from all good works, are thereby born again of the Holy Spirit, are justified once and for all, and have become children of God.
11. We believe that the Holy Spirit, being the Third Person of the Godhead, convicts men of sin, regenerates, indwells, baptizes, seals, and sets believers apart to a holy life; that He keeps and empowers believers day by day. We believe that He is the Teacher of the Word of God through which He guides us in our daily lives.
12. We believe in the eternal security and everlasting blessedness of the saved, and the eternal conscious punishment of the lost.
13. We believe that the Lord Jesus Christ instituted only two ordinances: water baptism and the Lord's Supper, to be observed until He comes. We believe that water baptism is not necessary for salvation but that it is an outward symbol of salvation and a sign of our obedience to Him.
14. We believe that the universal Church of Jesus Christ is composed of those who have been redeemed and washed

in His blood, regenerated and sealed by the Holy Spirit, and that they are saved to worship and to serve; that it is the responsibility and privilege of all who are saved to seek to win others to Christ, to the “uttermost part of the earth”; that they should seek to live a holy life, to separate themselves from and forsake all that might dishonor God, cast discredit on His cause, or weaken their testimony.

15. We believe that there is a personal devil, a being of great cunning and power, who is “the prince and the power of the air,” “the prince of this world,” and “the god of this age.” We believe that he can exert vast power but only as far as God permits him to do so; that he shall ultimately be cast into the lake of fire and brimstone and shall be tormented day and night forever.

INTRODUCTION

A WORD FROM THE PRESIDENT, JUDGE PHILIP GINN

Since its founding in 1992, Southern Evangelical Seminary and Bible College has maintained a dual commitment to evangelism and apologetics, thereby enabling SES to be on the cutting edge of training our graduates to give honest answers to the questioning hearts of people who so desperately need to hear the absolute truth of God's redeeming love. The faculty and staff of SES are focused on strengthening this commitment in the years to come and to making SES "the" place for you to go for the apologetics training needed to fulfill God's call in your life.

Our culture and our churches are in desperate need of revival, awakening, and reformation. Hundreds of SES graduates are already in the field proclaiming and defending the Christian faith from the pulpit, on campus, in the chaplaincy, in corporate America, and in the highways and byways of life.

If you have already made the determination to join with us in this great cause, then welcome. Through our cutting-edge digital campus, SES is able to provide the quality, cost effective, and practical education you will need for whatever or wherever your chosen destination may be. Our professors will be here to challenge your mind, strengthen your faith, and warm your heart. Southern Evangelical Seminary and Bible College above all is a family of believers. You will find here compassionate brothers and sisters in Christ who will come alongside you in your personal faith journey of service and commitment.

However, if you have not made the decision, I hope that you will prayerfully consider joining with all of us at SES as we seek the heart and mind of our King together. The days we face are surely difficult ones; "And who knows but that you have come into the Kingdom for such a time as this?"

I look forward with great anticipation to making this journey with you.

BRIEF HISTORY

- Southern Evangelical Seminary was co-founded in 1992 by Ross Rhoads, former evangelist and then Pastor of Calvary Church in Charlotte, NC, and Norman Geisler, long-time Seminary professor and apologist. Pastor Rhoads' burden for evangelism and Professor Geisler's concern to defend the historic Christian Faith combined in the two-fold vision of the seminary to evangelize the world and to defend the historic Christian Faith. Southern Evangelical Seminary was officially incorporated in the State of North Carolina on January 6, 1992.
- A feasibility study prepared by Dr. Geisler was presented to and approved by the Calvary Elders on February 24, 1992. The agreement with the church included the acceptance of its doctrinal statement and involved a fraternal and supportive relationship between the two organizations. However, both entities agreed to remain legally and economically independent and autonomous. Ross Rhoads was appointed as the first President of the Seminary and Norman Geisler was the first Dean.
- By May 4, 1992 Southern Evangelical Seminary had obtained permission from the State of North Carolina to offer a Seminary program with degrees, as provided for under North Carolina General Statutes Section (G.S.) 116-15 (d). Preparation began to develop a faculty, catalog, and library and the first classes began in September of 1992. The Seminary grew rapidly, attracting students from all over the United States and several other countries; from the beginning it attracted national attention by its unique program in evangelism and classical apologetics.
- In 1995 the first graduate received his degree. By late summer of 1997 the Seminary moved to McKee Road in Charlotte to property graciously provided by McKee Road Baptist Church.
- In 1999 Dr. Norman Geisler was appointed President of the Seminary. Also in 1999, Southern Evangelical Seminary was accepted as a member organization of the Evangelical Council for Financial Accountability (ECFA), certifying that it has met all standards of financial integrity and Christian ethics.
- On March 2, 2001 Southern Evangelical Seminary was granted accreditation by the Transnational Association of Christian Colleges and Schools (TRACS), a national accrediting association recognized by the United States government. That same year the Seminary started the Doctor of Ministry Program.
- In 2003 Southern Evangelical Seminary completed the building of its own 23,000 square foot facility on a ten and one-half acre lot located at 3000 Tilley Morris Road, Matthews, NC. By the fall of 2004 Southern Evangelical Bible College was established to offer students the opportunity to complete an undergraduate degree.
- In 2006 apologist and evangelist Alex McFarland was inaugurated as president of Southern Evangelical Seminary.
- The Doctor of Philosophy (Ph.D.) degree was approved by TRACS in 2007. In the spring of 2010 SES was approved to offer the Master of Theology (Th.M.) as a four year academic degree.
- After Alex McFarland's tenure as president, Bob Westra, the then Chairman of the Board of Trustees, served as the interim president. In 2013, after a long and distinguished career as the head of the Southern Baptist Convention's Ethics and Religious Liberties Commission, Dr. Richard Land became the fourth president of SES.
- With the rise of online education and the improvements of live-streaming technology, the number of non-traditional students began to increase. As a result, SES relocated to a more modern facility in the Ballantyne area of Charlotte in the summer of 2018.
- With the retirement of SES co-founder Dr. Norman Geisler in winter of 2019, the SES Board of Trustees unanimously voted to name Dr. Geisler *President Emeritus*. With his passing in July of the same year, the SES Board of Trustees unanimously voted to rename the graduate school the Norman L. Geisler Graduate School of Apologetics.
- In 2019 the development of a fully digital campus was approved and launched to help all students, faculty and staff connect and integrate online socially as well as academically.

- In 2021 Dr. Richard Land, upon his retirement in June, was named *President Emeritus*. Judge Philip Ginn became the fifth President of SES, and Dr. Richard G. Howe was made Provost and occupant of the Norman L. Geisler Chair of Christian Apologetics.
- Continuing to effectively steward seminary resources in an ever-changing culture and economy, SES moved to its current physical location in Rock Hill, SC in the winter of 2024. The smaller footprint allows for more devoted resources to equipping as many students as possible, while still offering needed office and meeting space.

ADMISSIONS POLICY

ADMISSIONS

Southern Evangelical Seminary desires students who are committed to Jesus Christ. Students are required to read, understand, and respect our statements of purpose and faith. Enrollment is open to qualified students, without distinction on the basis of race, color, nationality, ethnic origin, gender, age, or non-disqualifying handicap, who desire to engage in serious theological study in preparation for Christian service. The school does not discriminate on the basis of religion except to the extent that applicable law respects its right to act in furtherance of its religious beliefs and objectives.

Southern Evangelical Seminary is primarily a graduate school of theology. The prerequisite for a degree program, therefore, is a bachelor's degree from an accredited post-secondary institution or the equivalent. Students not meeting these qualifications do not qualify for a graduate degree program until their undergraduate requirements are satisfied. A student also must have maintained a better than average grade point average in his or her undergraduate program.

The purpose of this institution is to train men and women for Bible-based Christian ministries. Therefore, in addition to the academic requirements, there are spiritual requirements for admission in keeping with this purpose. These include Christian experience, spiritual growth, call to service, and gifts for ministry.

CONDITIONS FOR GRADUATION FROM A DEGREE/CERTIFICATE PROGRAM

Admission into a program of study does not mean acceptance into candidacy for the degree. Only after completion of at least one-half (1/2) of the credit of any program of study (assuming a student is taking a full-time course load) with a cumulative grade point average of 2.5 (3.0 for D.Min.; 3.5 for Ph.D.) or better may a student apply for candidacy in the degree or certificate (i.e. apply for graduation).

All degree or certificate students: Faculty votes to graduate students twice per year, once in the winter and once in the spring. Candidacy for a degree must be applied for by October 1 (for winter) or January 1 (for spring) preceding the Commencement at which the degree is to be conferred. The degree/certificate application must be accompanied by a non-refundable graduation fee (see Financial Information). Please note, while students may receive a degree in the winter or spring, there is only one commencement ceremony held each spring.

ADMISSION PROCEDURES

APPLICATIONS

Classes can be taken only by those who have completed the application process (degree, certificate, non-degree credit, or audit) and been admitted into SES. Applications for a degree program will only be considered by the admissions committee when all of the relevant items listed below have been received (requirements may vary depending on your particular program). The applicant has three months to complete his application and submit to the admissions committee. At the expiration of those three months, a new application and additional application fee may be required.

Online Application

A completed online application form through Populi, the secure SES student information system, will include:

- Biographical data
- Photograph (uploaded digital passport style photograph, head and shoulders)
- Academic record from all institutions of higher education attended
- Recommendations - Names and addresses of at least three (four if doctorate program) persons, including a pastor, to whom the applicant has sent reference forms
- Program of study for which the student is applying indicated on application

Personal Statement

The personal statement is a 300-500 word document written by the applicant, which includes:

- The applicant's spiritual autobiography
- The applicant's aspiration for Christian service
- The applicant's evaluation how an SES education will help them to fulfill the Great Commission

Official Transcripts

Official transcripts of the student's academic record at all institutions of higher education attended are required. Undergraduate students must also include their high school or GED transcript. The applicant must request each institution to send the official transcript directly to the Office of Admissions. Transcripts from international institutions must be submitted and evaluated through World Education Services (WES), with exceptions granted on a case-by-case basis.

Application Fee

A non-refundable application fee of \$50 (\$60 for doctorate programs) must accompany each completed application form.

When the student's file is complete, the admissions committee will take official action on the application. The applicant will then be notified by email about his acceptance into a specific program or other status. A student is strongly encouraged to apply 6 months before expected enrollment date but at least to complete the application process before the following general deadlines:

August 5 for Fall term admission

December 15 for Winter module admission

January 15 for Spring term admission

May 1 for Summer term admission

Some specific degree programs may have other deadlines listed in the degree program description. The dates for each term may be found in the Academic Calendar.

UNDERGRADUATE ADMISSIONS

In order to be admitted to the Bachelor of Arts degree program, a student must have graduated with a high school diploma or General Educational Development (GED). Additionally, the student must have completed either the Associates Degree or at least 60 transferable semester hours (or equivalence in quarter hours) of undergraduate courses at an institution accredited by an agency recognized by the Council on Higher Education Accreditation (CHEA) or the United States Department of Education (USDE), or the equivalent (as assessed by SEBC). If the student has not completed an associates degree that includes the SEBC general education requirement, then the student must take those hours elsewhere at an accredited institution. He or she must have maintained at least a 2.0 grade point average on a 4.0 scale in their college work done elsewhere.

UNDERGRADUATE PROVISIONAL ADMISSIONS

Provisional acceptance into the B.A. degree program indicates that a student has not yet met the required undergraduate GPA requirement. This requires that the student maintain a 2.5 or higher GPA on the first semester of work at SEBC in order to be granted full admission.

DUAL ENROLLMENT ADMISSIONS

Admission to the Dual Enrollment Program is available to high school Juniors and Seniors who have distinguished themselves with high academic achievement (or, who have at least a 3.0 average). The dual enrollment courses are delivered concurrently with the regular undergraduate courses at SES.

GRADUATE ADMISSIONS

In order to be admitted to a Masters degree program, a student should have a bachelors degree from an institution accredited by an accrediting agency recognized by the Council on Higher Education Accreditation, the United States Department of Education, or the equivalent (as assessed by SES). He or she must have maintained at least a 2.5 grade point average on a 4.0 scale for their college program.

GRADUATE PROVISIONAL ADMISSIONS

2. Students who are qualified for a degree program, but do not desire to enter a degree program or attend courses for credit.

A student requesting Audit Student status must submit an Audit Student Application. The Audit Student Application does not require references or transcripts. An Audit Student may attend any course for which he is registered as an auditor upon the payment of the audit fee for each course.

Auditors may attend class lectures, but are not permitted to participate in class discussions, ask questions, or submit assignments for grading, except under special circumstances and at the Professor's discretion. NON-DEGREE CREDIT STUDENTS

Non-Degree Credit status may be granted to:

1. Students who do not meet the academic requirements for regular admission into a degree program but who desire academic credit.
2. Students who are qualified for a degree program, but do not desire to enter a degree program at this time. Such students may audit or attend courses for credit.

A student requesting Non-Degree Credit (NDC) Student status must submit a Non-Degree Credit Student Application. The Non-Degree Credit Student Application does not require references or transcripts. A Non-Degree Credit student taking courses for credit must pay full tuition for each course so taken. Such a student can take no more than three (3) courses for credit, at which time enrollment in a specific degree program must be completed including submission of a complete admission application in order to continue to take courses for credit. Non-Degree status may also be granted to students who apply to a degree program but need to complete additional course work for acceptance into that degree program. Credits earned under Non-Degree status are valid for six years before entering a degree program. Additional work may be required after that period. Admission as a Non-Degree Credit student does not guarantee future admission into a degree program. A Non-Degree Credit student may audit courses.

Continuing Education status may be granted to:

1. Students who desire to earn Continuing Education Units related to various certifications or licensing.
2. Students who desire to take classes for CEU credit, non-degree credit, or audit.

Southern Evangelical Seminary grants Continuing Education Units (CEU) to qualifying students in the areas of Biblical and Educational studies for participation in certain courses and conferences (see Registrar for a list). Students desiring CEUs must apply by completing a Continuing Education Application, provide their legal name, and be approved by the Director of Admissions. A CEU certificate will be granted based on participation and attendance in courses or conferences based on clock hours. Students desiring CEUs for attendance at various conferences must be registered as a CEU student prior to the conference or at the conference to have CEU credit issued. Students must also verify their attendance at the conference by signing in at the SES conference registration desk. An admission to CEU status does not guarantee future admissions to a degree program, and CEU credit cannot count towards completion of a degree program. CEU transcripts and/or certificates are issued by the Registrar after the completion of the course or conference only for individuals who have followed the above procedures for admissions and registration prior to course or conference attendance. Students with CEU status may also take up to three (3) courses for credit or audit any courses.

VISITING STUDENTS

Visiting Student status may be granted to anyone who is currently a student enrolled at another accredited seminary and who wishes to take courses for credit from Southern Evangelical Seminary for the purpose of transferring such courses to that seminary. A student requesting Visiting Student status must submit a Visiting Student Application. The Visiting Student Application does not require references or transcripts. A Visiting Student may take courses for credit or as an audit. It is up to the student to ascertain whether courses will transfer to the desired seminary by contacting that seminary.

FINANCIAL AID & SCHOLARSHIPS

Rather than relying on government funding and large student loans, we work very hard to keep our education as affordable as possible for as many students as possible. To provide even more value, we are pleased to have students apply for the Frank Turek Scholarship Program and a number of various discount programs, ministry and Bible College partnership discounts, as well as an "equal sacrifice" discount specifically for international students. Please note that scholarships and discounts cannot be combined. For more information and to apply for these various opportunities, please visit the SES website.

STUDENT LIFE AND ALUMNI SERVICES

While Southern Evangelical Seminary exists as an academic institution, there is more to producing competent leadership than academics. The Student Life and Alumni Services Department operates in conjunction with the academic departments to provide a well-rounded experience for SES students and their families. The Department's objective is to enhance and support the educational experience of each student by offering services which will encourage the student's development in social, spiritual, intellectual, physical, and moral areas. We desire that all of our students fulfill their personal and professional goals as Christian leaders and as active citizens in the society in which they live.

All activities of the Student Life and Alumni Services Department are grounded in the Scriptures. Students are encouraged to incorporate what they are learning in the classroom into their daily lives at home, in the church setting, and in the working world.

Southern Evangelical Seminary does not provide placement services. Enrollment in Southern Evangelical Seminary or completion of the any program of study does not guarantee employment. Southern Evangelical Seminary makes no guarantee that credit earned will transfer to another institution.

ALUMNI RELATIONS

The Student Life and Alumni Services Department seeks to maintain strong ties with SES graduates as well as to provide continuing support for them in their various endeavors. Alumni Services provides updates for ministry and job opportunities. Seminary events and activities are communicated to Alumni via e-mail. Graduates are encouraged to be a part of the SES Alumni Association and take advantage of its membership benefits. Visit the SES website for more details.

CREDIT HOUR

In accordance with Federal policy (effective July 1, 2011 Department of Education 600.2) Southern Evangelical Seminary defines a credit hour as the amount of work represented in the achievement of learning outcomes (verified by evidence of student achievement) that reasonably approximates one hour (50 minutes) of classroom or direct faculty instruction and a minimum of two hours (2 hrs.) of out-of-class student work for graduate level and one and a half hours (1.5 hrs.) for undergraduate level, each week for approximately 15 weeks for one semester or the equivalent amount of work over a different amount of time.

COURSE PAPERS

All assigned course papers are to be submitted in proper form unless the instructor indicates otherwise. The standard is the latest edition of Kate L. Turabian, *A Manual for Writers of Research Papers, Theses, and Dissertations*.

EXAMINATIONS

Except in cases of serious illness or family emergency, students are expected to be present for all scheduled examinations. Requests to take an examination at another time must be made to the class instructor.

CONTINUED ENROLLMENT IN THESIS, MINISTRY PROJECT, AND DISSERTATION

Students in the last semester to complete a thesis, ministry project or dissertation but are unable to complete it must appeal to the Academic Committee first and be approved to continue working on the thesis, ministry project, or dissertation. Upon approval students will be enrolled for zero hours for the next fall or spring semester and pay all applicable fees. See “Continued Enrollment Fee and Zero Hour Classes” for cost. Failure to make an appeal or be approved by the Academic Committee results in a withdraw grade (WF or WP) for the thesis, ministry project, or dissertation to be assessed by the student’s primary reader.

ATTENDANCE

Attendance is expected at all class sessions except in cases of emergency. Students who enroll in a live-streaming course who have a conflict with the scheduled class meeting time related to their time zone, employment schedule, or other approved situation (according to the professor) may access the recorded streaming sessions online prior to the next class meeting. Unregistered students are not allowed to attend class. Visitors are allowed to attend one class, but only with the instructor’s permission. Please see the current student handbook for further details concerning attendance.

CLASS CHANGES (DROP/ADD, CHANGE OF STATUS)

All changes in a student’s class load, including dropping or adding courses or changing credit/audit must be done online in Populi before the end of the first week of the semester (or before the second class of a module). Course withdrawals (after the first week of the semester or second class of a module) are dealt with in “Withdrawal from a Course.”

WITHDRAWAL FROM A COURSE

A student who officially withdraws from a course during the second week of the semester (or before the third class of a module) will receive an automatic “Withdraw-Passing” (“WP”). Any withdrawal after the second week (or after the third class of a module) will be assigned by the class instructor as either “Withdraw-Passing” (“WP”) or “Withdraw-Failing” (“WF”), depending on his or her assessment of how the student is doing in the class up to that point in time. Class attendance may be taken as a factor in the instructor’s determination of the student’s grade (see Attendance). Any withdrawal after the last day of class for a semester will be an automatic failure (“WF”). To withdraw from a course a student must complete an “SES Course Withdrawal Form” available in Populi. Any form submitted after the second week of the semester (or after the third class of a module) must be signed by the instructor with a grade (“WP” or “WF”) indicated by the professor. The student must then sign the form and submit it electronically to the Registrar’s office.

FAILURE TO ATTEND CLASS (LIVE STREAMING OR ONLINE) DOES NOT CONSTITUTE WITHDRAWAL. IT IS THE STUDENT’S RESPONSIBILITY TO COMPLETE THE APPROPRIATE FORM FOR WITHDRAWING FROM A COURSE.

REPEATING COURSE WORK

Courses for which grades of “F” or “WF” have been earned may be repeated for credit, with grades for repeated attempts counting for grade point average purposes. All entries on the transcript, however, remain a part of the student’s permanent academic record and will be computed in the overall GPA.

No course in which students have received a passing grade (“D-” or better) may be repeated for credit. Students may repeat courses as audit for self-improvement at half the current audit price. All normal tuition and fees will apply to all repeated courses.

TRANSFER OF CREDITS

The majority of credits for any degree program at Southern Evangelical Seminary (SES) must be earned through

SES. Hence, credits earned at other schools may not exceed half of a student's Undergraduate or Graduate degree program (not including Doctorate degrees) at Southern Evangelical Seminary subject to certain conditions: The credits must be of a comparable level and reflect a transcript grade of "C" or better, in a subject appropriate to the student's degree program at Southern Evangelical Seminary and should have been awarded by an accredited school. An accredited school is one approved by an agency recognized by the Council on Higher Education Accreditation (CHEA) or the U. S. Department of Education (USDE). Credit transfers from non-accredited schools are reviewed on a case by case basis and may require submission of an academic catalog or course syllabi. Other restrictions may also apply for specific degree programs.

Official Transcripts from the issuing institution must be sent to the Registrar's Office at Southern Evangelical Seminary. Prior approvals for credits taken at non-accredited schools are not granted. Transfer of credit is not automatic. Upon written request, the Registrar will evaluate the official transcript and any other necessary documentation. Then the student will be informed of the credit that may be transferred.

PRIOR LEARNING ASSESSMENT

Undergraduate students in a degree program may earn up to 12 undergraduate semester hours of unduplicated credit based on experiential learning by successfully completing SM302 Portfolio Development and then submitting a portfolio(s) corresponding to a Southern Evangelical Bible College (SEBC) course(s). Courses outside the SEBC curriculum may also be applied for, but must receive prior approval from a qualified faculty member(s) before being submitted. Qualified faculty members who provide a written explanation for credit awarded evaluate portfolios. There is a \$100 non-refundable charge per portfolio. Experiential learning credit may not be given for any graduate level courses and Prior Learning Assessment (PLA) credit may not be transferable.

VALIDATION OF COURSES

Graduate or undergraduate students may apply to validate a required course if they have college credit for a similar course. The following provisions apply to those seeking Validation of Courses:

1. Validation of Courses must be requested within three semesters (one calendar year) of the student's enrollment at Southern Evangelical Seminary.
2. The student must have received at least a "B" in the course for it to be considered for validation.
3. Validation of a course does not give credit for the course or reduce curricular requirements, but does require substitution of elective hours in the same department as the course validated.
4. Students desiring to validate required courses should consult the Registrar's Office.

ADVANCED STANDING

Students entering a graduate degree program with a strong background in a certain field may be granted Advanced Standing Credit upon successful completion of the Advanced Standing exam.

Students desiring to take an Advanced Standing exam must notify the Registrar in writing at least 30 days prior to the beginning of either a Fall or Spring semester. The exam will be given the week before classes begin. Arrangements are set by the Registrar. The Advanced Standing exam, available to students enrolled in degree programs, must be taken within three semesters (one calendar year) of the student's enrollment at Southern Evangelical Seminary. Exams taken off campus or online may require an approved Proctor. There is a \$50 non-refundable fee for each Advanced Standing exam taken. Advanced Standing Credit may not be transferable to another institution.

Students who take the Advanced Standing exam but who fail to achieve an acceptable score will be required to take the Seminary classes that fulfill the stated requirements. Students have only one opportunity to pass an Advanced Standing exam in each subject.

The following provisions apply to those seeking Advanced Standing:

1. Students with a transcript grade of “A” or “B” in college work (from an accredited school) that parallels the content of the Seminary’s introductory required courses are permitted to take a test to demonstrate their proficiency in these disciplines.
2. Students with transcript grades lower than a B in the college level courses will not be permitted to test for Advanced Standing.
3. Students may be granted Advanced Standing Credit for no more than 1/6 of their degree program.
4. A student without acceptable transcript credit for college work in Greek who nevertheless offers strong evidence of expertise in this biblical language may, with the approval of a language professor, be permitted to take the Advanced Standing exam.

Those who achieve Advanced Standing Credit in Greek are permitted but not required to take advanced exegetical courses in these languages in the Seminary unless the degree program requires it.

Advanced Standing Credit is reflected on the student’s transcript.

EXEMPTION FROM WRITING AND RESEARCH CLASS GRADUATE PREREQUISITE (SM501)

Graduate students may petition the Academic Dean to be excused from the prerequisite SM501 class if they can demonstrate they have taken the equivalent class elsewhere or have an academic background that clearly covers the educational objectives of the course. See Student Handbook for policy and fee.

INCOMPLETE

A grade of “Incomplete” (“I”) may be granted in **emergency** circumstances. An emergency is defined as a debilitating illness or extended hospitalization of the student, spouse, child, or parents, or the death of the student’s spouse, child, or parents.

Permission for an “Incomplete” (“I”) must be requested prior to the end of the semester. An “Incomplete” (“I”) grade is not granted automatically. A “Request for an Incomplete Grade” form is available on Populi. When a “Request for an Incomplete Grade” form is completed, it must be approved by the Registrar or the Academic Dean and placed in the student’s academic file. If the student does not complete and submit a “Request for an Incomplete Grade,” no “Incomplete” (“I”) grade will be approved for the course in question.

An approved “Incomplete” (“I”) automatically becomes a “Failure” (“F”) 30 days after the end of the semester in which it was assigned unless the course requirements are satisfied and the professor assigns a new grade. Incompletes from Fall, Winter, Spring, and Summer modules are likewise due 30 days following the end of course date.

ACADEMIC RESTRICTION AND PROBATION

Any student whose grade point average for a semester falls below 2.5 is automatically placed on Academic Restriction for the following semester. Students on Academic Restriction will be limited to no more than six semester hours in the succeeding semester. If the student on Academic Restriction fails to achieve a 2.5 grade point average during the semester, the student will automatically be placed on Academic Probation. A student on Academic Probation will be limited to no more than three semester hours and must earn at least a 2.5 grade point average during that semester or that student will be suspended from SES by the Academic Committee. Students who have been suspended for academic reasons will not be considered for readmission until the student appeals to and is recommended for readmission by the Academic Committee. Students readmitted after academic suspension will automatically be on Academic Probation during the first semester. Academic Restriction and Probation are not recorded on the academic transcript.

GOOD STANDING

When any student’s semester GPA is 2.5 or higher, the student is considered in good academic standing. Good Standing is not recorded on the academic transcript.

WITHDRAWAL FROM SCHOOL

If a student informs SES and does not enroll for courses for more than two consecutive terms, including Fall, Spring, and Summer, he or she is considered to have officially withdrawn from the Seminary. Students who do not inform the Seminary of their intention to withdraw become inactive automatically if they do not enroll for courses for fifteen (15) consecutive months. Such inactive students follow the same “Re-entering the Institution” procedures as students who have notified the Seminary of their withdrawal.

APPEALING ACADEMIC STATUS

The system of due process for appealing academic status is covered in the Student Handbook.

GRADUATION REQUIREMENTS

In order to become a candidate for a degree at Southern Evangelical Seminary, a student must:

Any extension to these limits must be requested in writing to the Dean and be approved by the Academic Committee of the faculty before it may be granted and applied to the student’s academic record.

CHRISTIAN CHARACTER AND CONDUCT

Since Southern Evangelical Seminary is a professional school training persons for Christian ministries and leadership, it demands a high standard of character and conduct as measured by the Scriptures. Students who, in the opinion of the faculty, do not demonstrate these qualities during their tenure at SES will not be recommended for graduation.

FIELD EXPERIENCE

Dr. Melton Winstead, Director

According to Southern Evangelical Seminary's Purpose Statement, one of the unique aspects of the program is that it is implemented in relation to the local church or outreach ministry. Students are encouraged to work with local churches. The field experience program is key to providing this local church exposure.

Field experience means a regular personal involvement in some aspect of a ministry that is people oriented and supervised. It involves a two to three hour per week commitment in ministry.

Wherever the student may reside, there are usually numerous avenues for the practical application of theological training. The relationship Southern Evangelical Seminary has with many of the local churches offers a wide range of ministry opportunities for direct involvement in ongoing, church-related service.

Students are permitted to arrange their own field experience involvement, but they must be cleared through the Director of Field Experience before the field experience begins, and tuition for the service must be paid, or credit will not be granted. At the completion of a term's experience, a detailed report must be submitted. On the basis of this report and on recommendation of the Experience Supervisor, a pass/fail grade will be recorded for each required term of field experience.

The Seminary views Field Experience as an essential part of the learning process. The goal of the program is to develop the student in four areas:

1. *Personal Maturity.* The character of the Christian worker is as important as the ministry skills which he or she possesses. In the National Readiness for Ministry Survey, six character traits were identified as being most important. Field experience is designed to help develop these traits:
 - (a) Service without regard for acclaim
 - (b) Personal integrity
 - (c) Christian example
 - (d) Responsive functioning
 - (e) Positive approach
 - (f) Acknowledgment of limitations
2. *Theological Integration:* In one's ministry it is essential that belief and behavior agree. What one believes should be expressed in one's actions. It is the aim of field experience to help the student close the gap between profession and practice. One must be able to explain the theological basis for one's actions.
3. *Spiritual Formation:* The maintenance of good spiritual discipline is essential for Christian work. During the field experience activity it is important that the student discover spiritual resources, without which ministry is impossible. For instance, the student must learn to cope with disappointment and failure. It is important that one learns to trust the Lord when patience is stretched thin. Habits that promote regular spiritual growth must be developed.
4. *Skill Development and Demonstration:* It is essential that the student discover his or her own skills and learn to use them effectively in ministry. During the field experience the student is encouraged to cultivate the abilities that are essential for Christian ministry.

CERTIFICATE PROGRAMS

SES offers *for-credit* Graduate and Undergraduate Certificates in a variety of areas of study. Each certificate is designed to prepare professionals or lay persons to more effectively proclaim and defend the Gospel. Certificate courses may be used towards a future SES degree. Upon completion, students are invited to participate in the SES commencement ceremony as a certificate program graduate. These are ideal for those preparing for *Speaking/Teaching, Campus Ministry, Youth Ministry, Missions Work, Pastoral Ministry, or Personal Edification*.

NOTE ABOUT CONCENTRATIONS: Graduate certificates marked with an (*) may be added as concentrations to certain degrees (excluding M.A.R. & M.A.C.A.).

Dr. Bernard Mauser, Dean of Bible College

DEGREE GRANTED THROUGH SOUTHERN EVANGELICAL BIBLE COLLEGE

- Bachelor of Arts (B.A.) major in Religious Studies

The degree program provide training for persons committed to various ministries, such as apologetics, evangelism, missions, Christian education, etc.

UNDERGRADUATE TRANSFER OF CREDITS

In addition to the required 60 hours or the Associates degree from another accredited institution, an applicant into the B.A. program may be eligible to transfer up to twenty-nine (29) hours of course work in the Religious Studies major, subject to evaluation and approval by the Registrar. For transfer of credit policies, see Transfer of Credit under Academic Policy and Procedures.

ADVANCED STANDING IN A GRADUATE DEGREE

Advance Standing towards the Master of Divinity degree program at Southern Evangelical Seminary can be achieved by the successful completion of 400 level required or elective courses. Advanced Standing credit may not exceed 30 hours and is contingent upon acceptance into SES's Graduate program.

UNDERGRADUATE GRADUATION REQUIREMENTS

In addition to the general graduation requirements (see Graduation Requirements under Academic Policy and Procedures), the student must have taken at least thirty (30) hours of courses from Southern Evangelical Bible College.

DUAL ENROLLMENT

Dual enrollment programs are collaborative efforts between high schools and colleges in which high school students are permitted to enroll in and earn credit for successfully completing college courses. This means that high school students earn credit for successfully completing college courses and concurrently earn credit toward the requirements of their high school diploma (students must check with their school to see if they have a Dual Enrollment policy in place). Students involved in the program may jump start their college experience and accelerate their college education by accumulating transferable college credits. Students are challenged intellectually and academically and are more likely to continue their education beyond high school. Another benefit is that students have access to a college education without interrupting normal high school activities. The following courses are offered for Dual Enrollment: AP401 Introduction to Christian Apologetics; AP412 Ethics, AP302 World Religions and New Religious Movements, ST302 Survey of Bible Doctrine, PH301 Critical Thinking, and PH302 Introduction to Philosophy. The Dual Enrollment Program is available to juniors and seniors who have distinguished themselves with high academic achievement (or who have at least a 3.0 average). The dual enrollment courses are delivered concurrently with the regular undergraduate courses at SES.

Bachelor of Arts in Religious Studies

The B.A. is a four (4) year academic degree for persons interested in completing an undergraduate degree that will increase their knowledge and effectiveness by developing a more complete biblical and theological understanding. Two years (60 hrs.) are taken elsewhere that include general education courses, and two years (60 hrs.) are taken at Southern Evangelical Bible College. General education courses do *not* have to be completed prior to beginning coursework at SES. This degree will equip you for seminary work if desired and is ideal for those preparing for *speaking/teaching, campus ministry, youth ministry, missions work, pastoral ministry, or personal edification.*

DOCTOR OF MINISTRY

Dr. Douglas E. Potter, Director

DOCTORAL DEGREE GRANTED THROUGH THE SEMINARY

- Doctor of Ministry (D.Min.)
Major in: **Apologetics**

D.MIN. ADMISSION REQUIREMENTS

For general admission standards, see the section on General Information. In addition, the following specific requirements are necessary for admission to the D.Min. program:

1. Complete a Master of Divinity degree or its equivalent. SES defines M.Div. equivalency as an accredited seminary graduate degree of 60 hours or more relevant to the field of study. Students with a seminary graduate degree of 60 hours or more but not relevant to the field of study will need to take twelve (12) additional hours that include course work in Systematic Theology, Biblical Studies, Apologetics, and Ministry related electives as recommended after an assessment of prior work
2. Have a GPA of 3.0 or above
3. Have three years of ministry experience

PROVISIONAL D.MIN. DEGREE ADMISSION

Students with an accredited graduate degree relevant to the field, which lacks the required equivalency hours, may under provisional acceptance complete all coursework leading to the degree except for the ministry project. Admission as a Provisional D.Min. Degree Credit student does not guarantee future admission to the D.Min. program.

NON-D.MIN. DEGREE ADMISSION

Doctor of Ministry courses are open to persons who have completed the M.Div. degree or its equivalent. Priority is given to D.Min. degree students, and it is possible that Non-D. Min. degree students would be dropped or denied admittance to a course. Under Non-D. Min. Degree status students may take 4 classes (12 hours). Admission as a Non-D.Min. Degree Credit student does not guarantee future admission to the D.Min. program. As part of the Non-Degree admissions process such students must submit an official transcript showing the completion of an M.Div. degree or its equivalent.

DOCTOR OF MINISTRY TRANSFER OF CREDITS

An applicant into the D.Min. program may be eligible to transfer up to six (6) hours of course work, subject to evaluation by the Registrar and approval of the Director of the D.Min. Program. Normally, only courses taken after receiving an M.Div. or equivalent can be credited toward the D.Min. degree. Students may also be required to complete remedial work to meet the minimum requirements for acceptance into the D.Min.

MINISTRY PROJECT

The ministry project is the student's culminating work toward the degree program. The ministry project will involve the practical application of apologetics into the particular ministry of each student. Details on the subject, length, procedure, and deadlines are available in the Doctor of Ministry Handbook. Students must maintain continuous enrollment each semester until the Ministry Project is completed and defended (see Continuous Enrollment Fee).

ADMISSION TO D.MIN. CANDIDACY

Students may be admitted to candidacy for the D.Min. degree upon the completion of the following requirements:

1. Completion of all requirements and course work leading to the degree
2. Evidence of proven Christian character and effectiveness in Christian ministry

DOCTOR OF MINISTRY GRADUATION REQUIREMENTS

See “Graduation Requirements.” In addition, candidates for the D.Min. degree must have completed 30 semester hours of course work plus the ministry project (6 hours) with an accumulative GPA of 3.0 or better. The completion of the minimal requirements does not automatically qualify a student for the degree. The candidate must evidence to the satisfaction of the faculty proven Christian character and ability in Christian ministry.

ONLINE EDUCATION

Alex Joseph, Executive Director of Social Media & Technology

Every degree and certificate offered by SES is completed via online and/or live-streaming courses. Courses at SES use the Canvas Course Management System and are flexible courses that can be taken from anywhere in the world. Courses follow the academic calendar. Most courses meet weekly for 15 weeks in length, with weekly assignments and learning activities. Reading assignments are supplemented by online presentations by the professor, online topical discussions, a study guide or lesson notes, learning activities, online quizzes or exams, and course projects and papers.

Course materials (except for published textbooks) are available to registered students, and all assignments can be submitted electronically through the course website. Online courses use asynchronous discussions, so you do not have to be available at a certain time each week for “class.” Online courses may also utilize Zoom for periodic online synchronous discussions.

COURSE FORMATS AND OFFERINGS

Semester-Long (15 weeks) Online & Live-Streaming Courses

Online courses are asynchronous and live-streaming courses are synchronous classes meeting weekly. Classes meet each semester (Fall and Spring) Monday through Friday, from 6:30 to 9:30 p.m. EST, one night per week, for fifteen weeks. Both are designed to use the latest in digital technology and offer students the same academic rigor as resident courses. These courses typically include the following features: reading assignments supplemented with narrated presentations by the content professors, interactive written and live discussions, online lessons, integrated group activities, online quizzes and exams, uploaded submission of papers and projects.

Eight (8) Week Online Courses

These courses use the same general format and requirements as semester-long online courses (see above). In this format, the student is required to complete all lectures, readings, assignments and/or exams within the 8-week period. This demands that the student complete the content of a 15-week course in 8 weeks. This course format contains the workload of a semester-long course being completed in essentially half the time.

Module (1 week) Live-Streaming Courses

Modules take place from Monday to Friday from 6:00 pm to 10:30 pm, EST and Saturday 9:00 am to 4:30 pm, EST and can be combined with online instruction. They are recorded, so if students can demonstrate an employment or time zone conflict, they may view the recorded session and complete the course asynchronously in an online format. Students are given 14 weeks until the end of course date to complete course work following the module week. In addition to regular professors, modules are sometimes taught by special adjunct professors and guest lecturers who are not available for regular length courses.

Overview of Online and Live-Streaming

Both online and live-streamed courses utilize Canvas for course content and delivery. To log into Canvas, go to Canvas and log in using the same user name and password that you use to log into Populi. In Canvas, you can access your registered courses by opening the navigation bar (click the button in the top left once you’ve logged into Canvas). Please read the online education manual for students found in the files tab in Populi under Student Forms for more information on how to get set up for online education at SES.

Through live-streaming students will be able to

1. View the instructor through a video window on their computer
2. View presentations and documents through a shared video screen with the professor (from the professor’s computer)

3. Hear questions from the other students
4. Ask their own questions through their computer microphones

TECHNOLOGY REQUIREMENTS FOR ONLINE EDUCATION

Online Education is run through Canvas. All students must have access to the internet and be able to stream videos. All documents uploaded to Canvas should be in PDF format (unless otherwise specified by the professor). Streaming students should have headphones and a mic to participate during the lectures.

DESCRIPTION OF COURSES

Schedules available on the website (www.ses.edu), and registration must be made through the student information system Populi (<https://ses.populiweb.com/index.php>). Odd-numbered courses are usually scheduled during the Fall semester, and even-numbered courses during the Spring semester.
