

"SES was one of the first ministries I found when my faith was being challenged. This whole wide world of apologetics was opened up to me. I attended the conference in 2016 as just a fan girl loving all of the apologetics. It's always a thrill when I get to come back because it's sort of like home base for me. – Alisa Childers

IGNITE YOUR CHURCH EQUIP BELIEVERS

Stand Steadfast in the Truth

For more than three decades, Southern Evangelical Seminary has hosted one of the nation's leading apologetics conferences—bringing together pastors, ministry leaders, scholars, students, and believers who are passionate about defending and proclaiming the truth of the Christian faith.

The SES Steadfast National Conference is more than a conference. It is a strategic gathering designed to strengthen the Church for this cultural moment. In an age of growing skepticism, confusion, and biblical illiteracy, believers need confidence in what they believe and why they believe it. This conference exists to provide exactly that.

Each year, attendees hear from trusted Christian thinkers and communicators who address today's most important questions surrounding faith, culture, science, philosophy, worldview, evangelism, and biblical truth. Through dynamic keynote sessions, and meaningful fellowship, participants leave spiritually encouraged, intellectually equipped, and motivated to engage the world with truth and grace.

Equip Leaders for Greater Impact

Pastors, teachers, ministry staff, and volunteers need ongoing encouragement and training to lead well in today's culture. The conference offers concentrated learning from respected apologists and ministry leaders who are committed to helping the Church think clearly, defend the faith persuasively, and disciple believers deeply.

Inspire Bold Evangelism and Discipleship

Apologetics is not simply about winning arguments—it is about removing obstacles to the Gospel and helping people encounter the truth of Christ. Attendees consistently leave renewed in their passion for evangelism, discipleship, and engaging others with confidence, compassion, and conviction.
